

Spirit of 67 Foundation Grants for 2011–2012

*The tremendous efforts by the many volunteers make the Spirit of 67 Foundation a success!
Talents in all areas come together to raise money and awareness to support the efforts of our teachers and administrators.
Thank you to everyone who worked to make the activities of the Spirit such a success.*

*Thank you to the teachers, administrators and APT volunteers who support and implement the grants each year.
And finally, thank you to our generous donors. Your contribution and commitment to the Spirit make all of this possible!*
